We're Hiring!

Job Description:

As a sheet metal worker with Jayden's Mechanical, you will become part of a team of stellar employees who are highly valued and skilled. We are a privately owned and operated business dedicated to performing quality work and providing outstanding service to our customers. As a member of our team, you will plan, lay out, repair, and install sheet metal products and parts. You will get to put your technical and mathematical skills to use operating tools and machines and taking measurements according to blueprints. This role will be great for anyone who wants to make the most of their abilities and grow within a rapidly expanding company committed to hard work.

Responsibilities Include (but are not limited to):

- Ensuring that efficiency is maximized while fabricating and installing HVAC systems
- Possessing the ability to utilize and interpret architectural drawings and specifications to determine how and where to fabricate, assemble and install sheet metal products
- Cutting, fabricating, and installing a variety of sheet metal products
- Ensuring safety is a priority on the job during all activities.
- Demonstrates the ability to operate and maintain a company issued vehicle in a respectful fashion
- Adheres to Jayden's Mechanical policies and procedures

Qualifications Include:

The ideal candidate would,

- Have at least 1 year of sheet metal experience
- Commercial experience is an asset
- Possess a valid driver's license with a clean abstract
- Have a strong work ethic and a positive attitude
- Be a team player with proven ability to work independently and cohesively towards job completion
- Have excellent communication skills and ability to professionally represent the organization with all stakeholders
- Be an accountable problem solver with the ability to oversee projects

Compensation Includes:

- Highly competitive wages based on experience and qualifications as we are looking for career minded individuals who will grow with our company.
- Opportunity to acquire a company vehicle.

PLEASE SUBMIT APPLICATIONS TO INFO@JAYDENSMECHANICAL.COM
